REGISTERED UNDER WB SOCIETY ACT.

FROM MARGINS TO MIRACLES: CHANGING LIVES DAILY

We are thrilled to share with you the significant strides Tollygunge Ramdhanu Social Welfare Society has made in July 2024. Your unwavering support has been the backbone of our endeavors, and we are delighted to update you on our latest achievements.

TWO NEW BATHROOMS AND TOILET IN MURGABONI VILLAGE:

In our continuous effort to enhance the living conditions in rural areas, we have successfully constructed two new bathrooms in Murgaboni village. These facilities aim to promote hygiene and improve the quality of life for the villagers, especially the children.

Toilets in Murgaboni

DAY SHELTER CUM LEARNING CENTRE FOR STREET CHILDREN

A major milestone this month is the inauguration of our new day shelter cum learning centre on Southern Avenue. This space offers a safe, nurturing environment where street children can learn, play, and grow. This initiative is a testament to our commitment to providing holistic care and education to every child under our wing.

HOPES AND HUES: CREATIVE ENDEAVORS BY OUR CHILDREN

Our Hopes and Hues project continues to flourish, thanks to the incredible creativity of our children from both the village and Kolkata units. This month, they have crafted beautiful embroidered shirts, tote bags, stoles, painted coasters, and paintings. These products not only showcase their talent but also help in generating income to support their well-being and education.

SCHOOL ADMISSION:

We are proud to announce the successful admission of several street children and a special child to government schools. This achievement is a significant step toward integrating marginalized children into mainstream education, ensuring they have access to quality learning opportunities.

UPCOMING EVENTS AND INITIATIVES:

- We are excited to announce our upcoming Independence Day program, where our children will showcase their talents and celebrate the spirit of freedom.
- Additionally, we are preparing for a prestigious exhibition called The Trunk during Durga Puja, where our children's beautiful creations will be on display.

We extend our heartfelt gratitude to all our donors, volunteers, and supporters. Your trust and encouragement inspire us to continue our journey of transforming lives and spreading hope.

Warm Regards,
Mitrobinda Ghosh
