

SEPTEMBER NEWSLETTER

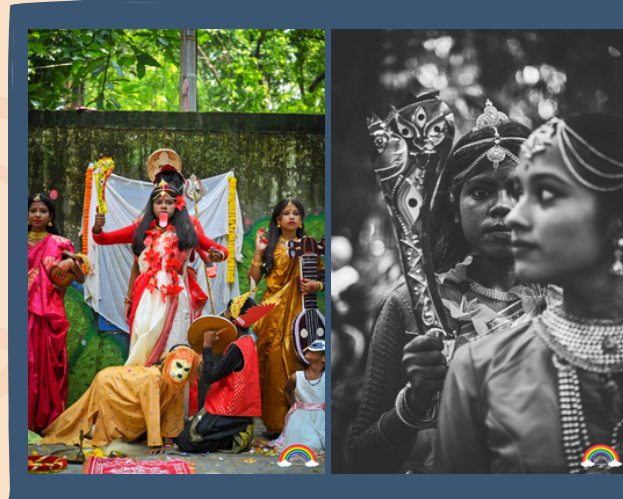

Special Durga Puja Edition

As October unfolds, we find ourselves reflecting on the remarkable journey that continues to blossom before us. Each day, we have the privilege of witnessing the incredible transformation of the children and young women we work with. Their resilience, determination, and sheer willpower are an ongoing source of inspiration. None of this would be possible without the unwavering support of our community, volunteers, and generous supporters. Together, we're creating miracles, one step at a time, and with each passing month, we are reminded of the power of hope and collective action.

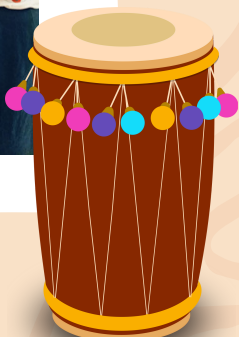

'ANYARAKOM AGOMONI' - A UNIQUE DURGA PUJA CELEBRATION

This September, we welcomed Durga with Anyarakom Agomoni, a vibrant cultural program that symbolized the strength and resilience of our children. Through dance, music, and art, they expressed their journey from the margins of society to finding their voices. The joy and pride on their faces were contagious, as they showed the world how far they've come. It was a powerful reminder that these children are not defined by their hardships but by their courage to dream and the confidence to realize those dreams.

THE TRUNK AND CARE OF KOLKATA EXHIBITIONS

Our Hopes and Hues project participants had a golden opportunity to display their handcrafted items—embroidered bags, hand-painted coasters, and more—at The Trunk and Care of Kolkata exhibitions. Every sale contributed to our education and vocational training programs, building pathways to independence for these young artists. This exhibition was more than just a showcase: it was a testament to the transformative power of opportunity and the boundless potential of these budding entrepreneurs.

SUCCESS IN MONTHLY ASSESSMENTS

Watching the children excel in their monthly assessments fills us with immense pride. They have embraced education as their pathway to a brighter future, and their achievements are a reflection of their commitment and perseverance. The sparkle in their eyes, the way they hold their heads a little higher, and the smiles of pride and joy—they all serve as beautiful reminders of why we do what we do.

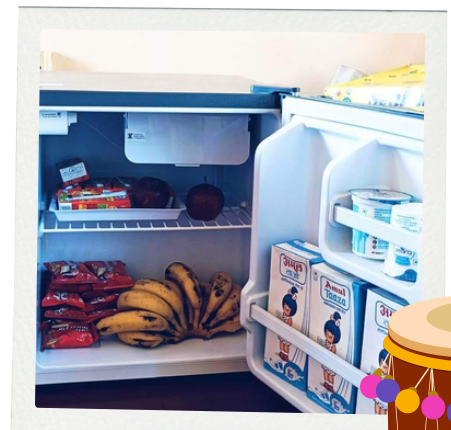

DAILY NUTRITIOUS FOOD DISTRIBUTION: NOURISHING MIRACLES

Every day, we continue to distribute nutritious meals not only to the children in our programs but also to street children across South Kolkata. We believe no child should go hungry. Beyond nourishment, this simple act of kindness builds trust, opening doors to further engagement, education, and support. It's a small miracle we witness daily, one that fills our hearts with gratitude and hope.

HEARTWARMING DONATIONS: A REFRIGERATOR AND AN ALMIRAH

We were blessed to receive a refrigerator and an almirah this month from two compassionate supporters. The refrigerator helps us store fresh food for the children, while the almirah makes our day shelter more organized and welcoming. These contributions may seem simple, but they're invaluable in our daily work, enabling us to serve with greater love and care.

THE MARGIN TO A MIRACLE UPCOMING EVENTS

MEGA EVENT AT THE TRIBAL VILLAGE

In November, we will be hosting a mega event at a tribal village, where we'll distribute study materials to 200 children and provide lunch for 300 tribal community members. This outreach event embodies our commitment to bringing hope to the most marginalized communities. Education is not just a tool; it's a lifeline, and we are dedicated to extending it to as many children as possible.

CHRISTMAS MARKET: A UNIQUE ENDEAVOUR

This December, we're thrilled to present our Christmas Market, featuring handcrafted products made by the women and children of our Hopes and Hues project. Every purchase supports their journey toward financial independence. From ornaments to thoughtful gifts, our market will be a celebration of their hard work and an opportunity for them to share their creativity and joy with the world.

SUPPORT NEEDED: HELP US MOVE FROM THE MARGIN TO A MIRACLE

As we close another month, we invite you to be a part of this journey. Your support is the key to making these miracles happen. Here's how you can help:

- **Donate to the Tribal Village Event:** Contribute study materials, food, or financial support to ensure the success of this outreach initiative.
- **Get Involved in the Christmas Market:** Volunteer, spread the word, or shop to support our mission.
- **Sponsor a Child:** Your sponsorship ensures a child receives the education, nutrition, and care they need to thrive.

Together, we can continue to create miracles. Together, we can move from the margins to a future filled with hope, opportunity, and love.

LET'S KEEP CREATING MIRACLES

As we look forward to October and beyond, let's keep creating moments of joy, pride, and transformation. Every child's smile is a testament to what we can achieve together. We thank you from the depths of our hearts for your unwavering support. With you by our side, the journey from the margin to a miracle is more than possible—it's already happening.

A WORD FROM OUR FOUNDER:

"Every day, we see children moving from the margins of society toward a better future. It is through collective efforts that these small, everyday miracles happen. This month, as we prepare for our upcoming events, I am deeply grateful for the support we receive, which allows us to continue this vital work. Together, we are transforming lives."
