

OCTOBER NEWSLETTER

As October comes to a close, we reflect on a month filled with celebration, compassion, and service. This month was particularly special as we shared the joy of Durga Puja with the children, provided essential support to those in need, and continued our mission of empowerment.

Highlights of October 2024

Clothing Distribution in Kolkata and Murgaboni Village

This October, thanks to your generous donations, we distributed clothing to children and families in need in both Kolkata and Murgaboni village. The smiles on their faces were truly heartwarming, reminding us that simple acts of kindness can make a significant difference in the lives of those we serve.

Durga Puja Celebration and Children's Performances

Durga Puja brought a festive spirit to the Ramdhanu family, and we celebrated with joy and devotion. Our children showcased beautiful performances, singing and dancing with confidence and enthusiasm. It was a proud moment to witness their talent and self-expression on display, bringing joy to everyone present.

Visits to Murgaboni Village

This month, our team made several trips to Murgaboni to support the children and families there. These visits are a crucial part of our work, allowing us to stay connected with the community, understand their evolving needs, and ensure the continuity of educational and empowerment initiatives. We remain committed to assisting the village children with their studies, vocational training, and day-to-day needs.

Medical Camp for Children

Health is a cornerstone of a brighter future, and this October, we organized a medical camp for the children in our care. With the help of qualified doctors, we conducted health check-ups, provided necessary medications, and shared guidance on nutrition and hygiene. This initiative is part of our ongoing commitment to ensuring that our children grow up healthy and well-cared for.

Make a Difference Today

Your support is vital in empowering Kolkata's street children and those in rural communities. Consider making a donation to help us continue our mission.

Empowering through Hopes and Hues

Our empowerment project, Hopes and Hues, continues to flourish, producing unique handcrafted items created by the children and women in our programs. From embroidered shirts to hand-painted tote bags, these creations not only reflect their hard work and creativity but also contribute to their financial independence. We're excited to share that products from Hopes and Hues will be featured in The Trunk exhibition during Durga Puja. Every item sold supports our mission and brings us closer to empowering even more children and families.

Upcoming Needs and Support:

Support for Educational Essentials

With your help, we can continue to supply children in both Kolkata and Villages with the books, stationery, and educational materials they need. Any contributions toward these supplies are greatly appreciated and directly benefit the children's academic success.

Medical Care and Nutritional Support

Ensuring our children receive proper nutrition and health care is an ongoing effort. Contributions for our medical camps and daily meal program will help us sustain these essential services.

Thank You for Your Support

Each month, we are deeply grateful for the support of our donors, volunteers, and well-wishers who make this journey possible. Together, we're not just providing immediate relief, we're building a foundation for lasting change, one child at a time.

Together, we are transforming margins into miracles.

With Gratitude,
Mitrobinda Ghosh (Founder)
