From Margins to Miracles: Changing Lives Daily

## Dear Friends and Supporters,

April brought with it the warmth of summer and the warmth of many meaningful beginnings. At Ramdhanu, we continue to grow with purpose—nurturing, educating, and empowering every child under our care. Here's a glimpse of what this month looked like:

### Murgaboni Learning Centre Goes Daily

A major breakthrough—our Learning Centre in Murgaboni is now operational every day. Children now receive regular education and nutritious food, offering a stable foundation for their future.

### Star Performer: Priya (Class 11)

A moment of pride for all of us—Priya, one of our senior girls, scored excellent results in her Class 11 exams. Her achievement is a beacon of hope for many others on the same path.

## Global Exposure through Exchange Programme

Our newly launched exchange programme with international girl has started. These enriching interactions are offering our girls a wider world view and building self-confidence.

## Circle Time: Daily Joyful Reflection

Each day begins with Circle Time—a quiet, bonding moment where children pray, share thoughts, and build emotional strength together. It's a beautiful routine of connection and calm.

## Hobby Time – Heartfelt Expressions

Children enjoyed Hobby Time through painting, reading, dancing, stitching, and storytelling. These sessions are vital for self-discovery and mental well-being.

## Natural Dye Work Begins

We've begun learning and experimenting with natural dyeing techniques under our Hopes and Hues initiative. Children and young women are exploring how to create sustainable, artistic prints using flowers, leaves, and everyday ingredients.

## Nutritious Meals for All

In April, we continued to provide daily nutritious food to the 40 marginalised children in Kolkata and 50 children in Murgaboni village. Our commitment to street food distribution also remains strong—ensuring no one sleeps hungry under our watch.

## Essential Upgrades: Clean Water & Safety

We've successfully installed a water purifier at our Kolkata shelter, ensuring access to safe drinking water for all our children. Additionally, CCTV cameras have been installed to enhance safety and transparency within the shelter premises.

## Young Creatives Shine at LTIMindtree's Corporate Exhibition

The children displayed their creations in a small exhibition held at the LTIMindtree office premises. This event provided them with a valuable platform to present their creativity to corporate professionals, giving them significant exposure and boosting their confidence immensely.

## Feeding the Forgotten

Our street food distribution drive continued with love and dedication throughout April, providing dignity and nourishment to the homeless and hungry.
