## A MONTH OF FESTIVITIES, CREATIVITY, AND EMPOWERMENT

October was a month overflowing with joy, creativity, and compassion at Ramdhanu — a time when both our city and village centres celebrated the true spirit of inclusion, learning, and community.

## FESTIVE CELEBRATIONS:

We celebrated Durga Puja by distributing new clothes among our children, and Diwali by sharing gifts with students and mothers — lighting hearts with happiness and hope across both our centres.

## SPECIAL WORKSHOP BY CHEF SNEHA SINGHI:

Renowned chef Sneha Singhi joined us for a fun and engaging cooking workshop. The children learned new recipes, enjoyed the process, and relished the delicious food and sweets she lovingly distributed.

## ART COMPETITION & CALENDAR FEATURE:

An art competition held at both our city and village centres brought out the young artists in our children. The winning artworks will proudly feature in Ramdhanu's 2026 calendar — a celebration of creativity and imagination.

## PERIOD POVERTY AWARENESS & HYGIENE DRIVE:

At our village centre, we conducted a Period Poverty Awareness Campaign with a group of adolescent girls. The session included menstrual health education and distribution of hygiene products, empowering them with awareness and confidence.

## INCLUSIVE LEARNING THROUGH ART & MUSIC THERAPY:

As part of our inclusive initiatives, Ramdhanu continues to teach special children through art therapy and music. These sessions help nurture expression, emotional balance, and self-confidence — embracing every child's unique abilities with love and care.

## ONGOING ACTIVITIES:

Our classical ballet classes continue with enthusiasm, allowing children to express discipline and grace through movement and rhythm.

## NUTRITION & CARE:

Both our centres continue their regular nutritious food distribution, ensuring every child receives healthy meals and consistent nourishment.

## A PROUD MOMENT - RESTAURANT INAUGURATION:

Our Kolkata children had the joy of inaugurating a renowned food chain alongside the local councillor. They enjoyed delicious food boxes and a day filled with laughter and pride.

## NEW ADMISSIONS FOR JANUARY SESSION:

We are delighted to welcome new students for the upcoming January session. Each new admission strengthens our mission to reach more children and build a brighter, more inclusive future.

As October comes to a close, we celebrate the love, learning, and unity that continue to define Ramdhanu's journey — one step closer to a more compassionate world.
